
Mediation

Mediation is a method of dispute resolution. There are different ways in which mediation can occur. The general principle is that the parties reach agreement without going to court with the help of a trained mediator or mediators.

We can advise you about which type of mediation is more appropriate for your circumstances. We can make sure you are aware of your legal position before you take part in a mediation process without lawyers or help you through a mediation process involving lawyers.

Wendy Kayler-Thomson and Belle Lane of Forte Family Lawyers are trained mediators.
